Anne Davidian & Matthieu Prat – Kassandras

workshop
Sculpture Studio, UMPRUM
Monday 7 March, 1 – 4 pm
The workshop proposes a case study of Kassandras' current topics such as the development and experimentation of design & architectural strategies within the context of a "skeleton" building and a "long-term ephemeral" attitude. Kassandras is a hybrid space situated in an un-finished building in Athens, a space where contemporary practices can find ground for (cross) breeding and experimentation in a given environment – Greece today. kassandras.org
